## Horny Story Hour

Dear Virgin Territory,

I thoroughly enjoyed the nice, little piece of fiction included in your Feb. '14 issue. "Flat Chested Freshman Fuck Buddy" was a good chance to jerk off to something other than the fine pictures included in the issue. Normally I'm not much of a literary porn fan. I like my girls slutty and graphic, but I liked being taken to this small college where teen girls are learning to enjoy their sexuality. I am probably like most of your readers when it comes to sexual preferences. I like my girls a bit naive, but ready and willing to be educated. Jenny, the main character, was just my cup of tea. I'm not sure why girls who look like her—flat-chested and freckled—feel the need to look down on themselves. Perhaps it's that boys that age can't fully appreciate the look of youth, so they project their ignorance and end up ruining the self-esteem of their classmates. Youth is wasted on the young, am I right?

It was a pleasure to read about her burgeoning sexuality. That time in a person's life is so confusing; hormones drive every little decision and soon one could be in a lot of trouble. I love that Jenny and her fuck-buddy's brazen actions go unpunished! The

danger of being caught even got my heart racing while reading! After your story ended I kept imagining the character's evolution. Where is she now? I like to think her fuck buddy kept pushing her sexual limits until eventually they became very open. I can imagine them being part of a

three way or an after-hours classroom orgy. Perhaps by her sophomore year she would be dating more experienced men. That's often the case with college girls. And, as long as these teen girls keep looking to older men for validation and sexual adventures, I'll be happy! I've lived in a college town for about ten years and have had quite a few flings with girls who are looking for a change of pace. I can't say I've pleased them all, but I've sure had a lot of fun! Thanks so much for publishing great stories like these. I'll still be jerking off to all the hot pictures, but it's nice for me to have a change of pace, too.—M.B., Boulder, Colorado

Dear M.B.,

Congratulations on bagging some hot college pussy. We're sure there are a lot of envious readers out there after hearing your story! Thanks for the feedback on our fiction. We like to bring our readers a vari-

## Sexy Suggestions

Dear Virgin Territory,

I am a huge fan of your magazine and awesome DVDs! I always look forward to seeing your gorgeous 18- to 19-year-old models. And you guys do a great job of finding the best girls out there. Keep up the good work!

I wanted to take a moment of your time to make a request for one of your future DVDs. I should say first that I have seen you touch upon this subject before in both the

**"It was like seeing an old friend again... then jerking off to her sweet titties and ass."**

magazine and the videos, and I really appreciate it! But what would be totally incredible is to see an entire video devoted to your super hot 18- to 19-year-old *18* models shot at their very first visit to the gyno office.

I know you guys don't need my input, but I briefly included my overview of how such a video might go. Please feel free to use any or all of these ideas to make a DVD. The bottom line is I would just love to see *18* going to the gyno.

A particular scene I would enjoy seeing would take place at a young women's health clinic, inside the exam room, and featuring a young model on the exam table with her feet in the stirrups. The idea is that the model would be nervous about her very first exam and is super shy, nervous and embarrassed about having to

be examined completely nude. I think it would be so hot to see a girl's face turn bright red when it is explained that she will need to take off everything!

Then the embarrassment meter would go off the chart when her older male gynecologist checks her breasts and inserts his fingers deep inside her pussy. Obviously that would turn both doctor and patient on so much they would end up bang-

## Hottie Spotting

Dear Virgin Territory,

Your February issue made me so happy. First of all, I know girls named Marissa, Judy, Leah, Aurora and Alice, so it was hot to think about them while jerking off to girls sharing the same names. Secondly, I've seen one of those girls before in real life! I was at a party and I recognized her from somewhere. I was racking my brain for hours, trying to put a name to her face. She ended up leaving before it popped into my head. Leah! I logged onto *18eighteen.com* on my phone, and before I knew it I had her pictures brought up. It was so hot thinking that I had been standing right next to a stranger whom I had seen naked. I mean, I had jerked off to her without her knowing! It was totally voyeuristic and arousing. So anyway, it was really great to see her spreading her tight asshole again in this past issue. It was like seeing an old friend again...then jerking off to her sweet titties and ass!—R.E., Chicago, Illinois

Dear R.E.,

*Glad to hear you enjoy our magazine so much! Our models are real girls who live real lives. Most probably don't want their families to know what dirty, little sluts they really are, so keep it a secret if you meet one! Oh, and you're in luck. Leah's back with a brand-new set this month on page 88!*

## Birthday Booty

Dear Virgin Territory,

Thanks for the perfect birthday gift. When I checked the mail this morning

I knew it was going to be a good day; my spank mag had arrived! I usually flip to the first page and peruse the index, then slowly thumb my way through the pages, one by one. Not so with the February issue! I saw Gina's pic, looked at the small description on page three, and when I saw that it said anal, I scrambled to get to her spread as soon as possible. I love every single anal spread in your magazine. You have the most innocent-looking girls devilishly taking HUGE rods in their buttholes. It's heavenly. Gina has the poise and modeling gumption of a much older woman, but the tight, toned body of a sweet, young angel! Gina was definitely the best gift I received this year. Although, I wouldn't turn down Marissa with a big bow on her butt! She has the

**Gina's filled asshole was the best birthday present G.W. got.**

kind of snatch and asshole that could break a religious man from a fast. Her meaty pussy and tight butthole look so good they'd leave a debate team speechless. And her face is simply adorable. I really liked seeing her, can you tell? There is definitely a contrast betwixt the two girls. One is an anal-loving cock-worshiper and the other is an innocent schoolgirl still learning about her body! I love and appreciate them both. So thanks for the memories, the raging hard-ons and the massive orgasms. I can't wait to see what next month brings!—G.W., Virginia Beach, Virginia

Dear G.W.,

*Happy birthday! We're glad you liked Gina and Marissa so much; they certainly are something special. Be sure to check out [eboobstore.com](http://eboobstore.com) for some of our anal DVDs like Backdoor Brats and Teen Rectal XXXams! Now all of us at 18eighteen are going to sing you a song! ## Confident Cunny

Dear Virgin Territory,

Where do you find girls like Aurora? Her story about being fucked under the bleachers while winning the homecoming queen title made me spit out the sip of beer I had in my mouth. Then, my cock was shooting something else out when I saw her pictures on the next page. I especially liked how meaty her pussy was. Her lips were so thick. She's probably not one of those self-conscious types that won't make out with you after you lick their pussy. I didn't get that vibe from Aurora. I feel like her personality really came through

in the pictures, and she seemed really cool. A good attitude that allows a woman to be super-cool with men is definitely the sexiest part of her. Then again, her asshole was a thing of perfection, too...Okay, maybe it's the body that's sexiest, then attitude. That body was incredible. It was begging for a licking and a sticking! Then again, I love her attitude towards sex. It's refreshing to hear about a teen with enough confidence to realize that there is nothing wrong with a young girl who loves sex. When a girl her age is open and positive it lays the groundwork for a lifetime of pleasure, fulfillment and happiness. Okay, attitude is sexiest first, then the body. Whichever, they're still sexy!—M.G., Cheyenne, Wyoming

Dear M.G.,

*Whichever answer you come up with, we couldn't agree with you more. We love beautiful teens that are open enough to take a big cock or stroke their snatch on-camera. You can see more of the beautiful Aurora (and her sexy, open friends) in Glazed Teens 2, available for order on page nine. It's full of girls who know exactly what they want and go for it!*

## Assortment of Ass

Dear Virgin Territory,

I hate to come off as a curmudgeon, but why don't you guys have more variety in the kinds of girls you print? I like flatties. I like braces. I like cotton panties. But I like more than that, too. My girlfriend in high school had 36-24-34 measurements, so I know not all 18-year-olds are rail thin with pencil nub titties. Again, I do like that look every once in a while. Variety is the spice of life though, and I feel like you guys need to kick your spiciness up a notch. How about some lovely black girls? How about some more Asians? How about some stacked lovelies with badonkadonk butts and the cute, young faces we all love? I'm simply saying that I'm sure more men would appreciate seeing a wider variety of 18eighteen models, something more representational of actual cultures. Part of the pleasure for me is imagining these girls as my own neighbors, students or baristas at my local coffee shop (I guess I should also ask for a few girls in parkas and hoodies then)! Thanks for allowing me to vent a little bit. I just love your magazine so much and take a lot of pleasure reading and jerking off to it. I'm an avid fan who has subscribed to the magazine since 2009. I still love all your girls so please don't change anything too

much!—R.M.M., Bend, Oregon

Dear R.M.M.,

We strive to make our readers happy with every issue, but we know some guys have different tastes. Most of the feedback we receive indicates our readers love small, nubile, flat-chested hotties, but we do occasionally print busty girls. If you want more diversity you can see all of our girls online at [18eighteen.com](http://18eighteen.com) or check out our sister publication Naughty Neighbors, which specializes in real, hot amateurs of every kind!

## Addictive Cumshots

Dear Virgin Territory,

It's funny how I never plan on buying your new DVDs, but always end up on the phone with my credit card in my hand. Well, I had just finished reading February's issue, got my pants off and my fuck toy out, and found myself flipping from Tysen to Alice to the DVD preview of *Glazed Teens 2*. I already own *Glazed Teens*, but not having the complete set is like having an itch you just can't scratch. So there I was, dick in hand, ordering another one of your DVDs. Do me a favor, hide that shit from me so I don't have to keep ordering!—J.J., via email

CHINESE FINGER TRAP

## Alina has learned some new tricks.

The last time we spoke to Alina was in the Feb. '14 issue, and she had just learned how to cum during sex, but could only cum once. She said she was going to masturbate more often to train her body to take more pleasure. Obviously we asked her about it. "Cumming during sex is super easy now. Sometimes I'll have to tell the guy I'm with to slow down because it's a little too much, but that's only after I've cum, like, four or five times. It's really intense. Now I've started opening up a bit because I'm so relaxed after I cum. I'll even let the guy stick his fingers in my butt! It feels really good when he's using two fingers in my pussy and one in my ass. Sometimes I can feel him pinch the skin between the holes and it turns me on so much I instantly cum. That's the only way to make me squirt, too."

### **Alina's beautiful pussy is almost too tight.**

"This guy I'm fucking right now has a really big dick, which feels amazing, but his dick in my tiny pussy means it's super tight down there for him. When we first started fucking he came in two seconds. We both started laughing."

## Alina doesn't want a boyfriend.

We made the mistake of calling the guy Alina's fucking her boyfriend. She was quick to scold us. "He's not that at all! Jeez, just because a girl sucks a guy off and lets him screw her, people want to put labels on it. I'm just looking for a good time, and this guy happens to be really good at fingering and licking my pussy. He's even gotten better at fucking me; he lasts longer now. The cool thing about having a fuck-buddy is that neither one of us gets jealous. When I tell him I let a guy fuck me at a party he just wants to prove that he can do it harder and faster than the other guy! Plus, since we don't have jealous feelings we can totally share other girls when I'm in the mood for pussy."

Dating discs. The concept was pretty cool, and spreading like wildfire. Jessica couldn't deny that she had her hopes up, even though the guy she was hot for had all-but been drooling over another girl for weeks. Seeing the silver envelope with her name on it in Science class? Well, that would have been enough to get her pussy dripping all by itself. Finding out who her admirer really was? That led to all sorts of...

Jessica turned the corner, felt the invisible hand slap her in the face.

Again. Across the hall, outside her fifth period science class, stood Brandon and Hope, with Brandon so close he was practically in her sweater. Not that he would've fit—Hope was packing too much in there to accommodate anything but her tits. Sure enough, pinned to the girl's one-size-too-small top was the plastic pink heart Jessica had seen her with in English class. No, she thought. Things couldn't possibly get worse.

She felt like ripping down the CHARITY BEGINS AT HOME ROOM! banner, but didn't want to be a bad sport. Okay, so Brandon had given Hope a date-disc and not her. It wasn't that big a deal. Or was it? Feeling heat rush up her neck watching Brandon plant one on Hope kind of put the lie to that.

Jessica'd thought she had a chance, really had a chance. She had both math and social studies with Brandon, and he always sat next to her. Copying her notes, asking for help with homework. Telling her dirty jokes when Mrs. Lindbauer wasn't looking. How could he not be into her?

Because he was into Hope, she sighed, grim-faced. Wanted to be in Hope, the way he was staring down her shirt. Jess couldn't blame him. Hope

always had guys hanging around and was constantly getting hit on. She was hot, she was built and Jessica had to admit, she had the nicest ass in the whole grade.

The discs were being sold to benefit a local charity. You spent ten bucks, got the disc and an envelope, and gave it to your 'special someone'. Mostly, guys gave them to girls, but girls could give them to guys, too. Not that Jessica had considered it. She didn't have the guts. Some of her friends had, and the results had been pretty good. The thing about the discs was, if you believed Facebook and Twitter, the discs meant more than just a charitable donation. If you accepted one, you were agreeing to go on a date with the person who gave it to you. Hope apparently had, given the way Brandon was tracing his finger around the disc, which just happened to be pinned right over Hope's nipple.

Jessica thought about cutting class. There were only three periods left. Who would notice? It wasn't like she had any guys hanging around, waiting for her with a pink heart or puppy dog or any of the other designs.

She was about to do just that when Mr. Goldstein spotted her.

"Shit!" she hissed. Too late now. She went into the classroom, furious. She was about to sit down when she spotted the silver foil envelope on her desk. She glanced around, but no one seemed to be paying attention to her. Was it a mistake? Had a girl from last class left it?

She ditched her books, stashing the envelope in her bag. The next forty minutes were the longest she'd endured in a long time. When the bell rang, she practically bowled over two classmates, heading straight for the girls' room. She locked herself in a stall, and peeled open the envelope.

Sweet Thing was embossed in bright, red letters. The heart was framed by white plastic lace. Slowly, she turned it over. What she saw,

though, wasn't what she expected.

On the back, where a guy would sign his name or put his cell, there was only a pair of three-digit numbers: 315 and 3:00. No initials. Not a hint as to who'd left it for her. Just the room number and time.

3:00. Twenty minutes after school ended. The place would pretty much be empty, especially on the third floor. She tried to think of a reason why the guy wouldn't at least give her a hint. Hideous scenarios played in her head. An underclassman, one of the geek squad who ran the filmstrip machines. Good god but how embarrassing that would be. Or maybe one of the knuckle-draggers who occasionally paid her to write their term papers. She couldn't possibly go out

**"I...kinda thought it was obvious," Hope said, looking up. Jessica couldn't stop herself. Her eyes dropped to Hope's boobs. Her nips were practically tearing through her sweater. Was...was this really happening? Was the hottest piece of ass in the whole 12th grade a lezzie?**

with any of them. Or maybe it was all a joke, and a couple of guys had chipped in so they could get a good laugh when she showed up looking hopeful. No doubt, that picture would be all over Facebook even before she got home.

Still... she'd go. What if Brandon had bought two hearts, hedging his bets? She wasn't so proud that she'd turn him down, even if Hope had gotten one from him. It wasn't like it was an engagement ring.

Long shot, her brain weighed in. She had to admit it was true. Whoever her secret admirer was, Brandon wasn't a likely suspect. Oh well, she thought, heading upstairs. She'd know soon enough.

315. One of the photography labs. Her heart jumped. Wasn't Brandon a camera junkie? In fact, hadn't he shared a photography class with Hope last semester? Wasn't there a

pretty-believable rumor that Brandon had gotten a blow job in one of the darkrooms from some girl and been suspended for it? Jess' mouth was dry. She'd gladly get suspended if Brandon was waiting, cock out and ready for her to hit her knees for him. She took a breath, and went in.

The room felt empty. The lights were off and the shades were drawn. Still, there was enough to see by. She looked around, nervous.

"Uh, anybody home?"

Behind her, the door clicked shut. She whirled around in a flash, facing her secret admirer.

"Hey, Jess."

Jessica reeled, stunned. Her mouth dropped open. She stared, not believing what she was seeing. The smile. The sheepish look. The skin-tight sweater...only without the date disc pinned to it.

"Hope? Y-you left this for me?" She held up the disc. Hope stared at the floor, a little nervous-looking herself. She nodded.

"Why?"

"I...kinda thought it was obvious," Hope said, looking up. Jessica couldn't stop herself. Her eyes dropped to Hope's boobs. Her nips were practically tearing through her sweater. Was...was this really happen-

ing? Was the hottest piece of ass in the whole 12th grade a lezzie?

Jessica stammered, no words coming out. Hope closed the gap between them, bringing those huge boobies closer. A flutter went through Jess, but not in her chest this time. Lower. Much lower.

"Have you," Hope began, reaching out and twirling a finger in Jess' hair. "Ever, y'know, thought about it?"

"I-thought about what?" Jess croaked, shaking, clutching her book bag to her nonexistent chest. She'd never thought about it. Well, not seriously. She guessed every chick thought about it once. Maybe twice. It was sexy, in a pervy sort of way. Thinking about what it would be like, having another girl touch your pussy. Making out with you. Spreading your legs and going down on you. Licking your clit. Maybe taking a dildo, or better yet, a vibrator and-

"Okay, well, I'm really into the outdoors. I moved to Arizona and now I'm out and about, hiking every day. I also like sports. I played soccer in recreational leagues all through high school. I just love being in shape and having a fit body. When I'm riding a guy's cock and sweat's dripping off my body, I know I'm looking good."

**So, do you have any other interesting hobbies we should know about?**

"Yeah, I'm really into writing poetry. I also really like driving. I just got my driver's license. I know, I was slacking for a while, but I never had the need to learn. Guys would give me rides. I've also been sucking a lot of cock lately! I'm having a lot of fun meeting new people since I just moved, and that's a great way to start off on the right foot. I met one cute guy at a coffee shop and ended up going back to his house to blow him. Now we're really good friends and hang out all the time. He's got a really nice cock."

### Is there anything that you want to try, but haven't done yet?

"I really want to travel outside of North America. I have this daydream where I get off a plane in Italy or France or somewhere and I meet a really hot European guy with a big cock and a sexy accent. He'll take me to a villa or something and we'll eat great food and make passionate love for a month. I'm also a little curious about anal sex. I mean, it's not something I've done. I haven't even had anyone lick me or finger me down there. A guy tried once and I stopped him. It feels so wrong, but that's part of the turn-on."

"Yeah, I know! The last time I was here I had so much fun. I decided to come back for a little more action! Of course, last time you guys gave me a big dick for *Boned Brats*. It was such a turn-on watching myself get fucked silly by that older guy."

## Older guys are always better?

"I think so. They tend to have a little more money, a nicer car and they know what they're doing in the sack. The older guy I'm with now licks my pussy for what feels like hours before he fucks me. That's the passion and experience that most younger guys don't have."

## SECRET SLIT SLURPIN'

*Continued from page 28*

"About this," Hope said, and kissed her. Jess stiffened. Hope's lips were soft, pressing in just enough to let her know she was there. Jess didn't back away. It took her a second, but she got her brain in gear and kissed back. Enough to let Hope know she wasn't totally wierded out. Enough to let her know that when Hope opened her mouth, and probed Jessica's with her tongue, that she was more than okay with it.

Jess tossed her books aside. They didn't quite reach the nearest desk, and she didn't quite give a shit. Her hands were free, and that's all that mattered, because Hope's boobs were right there for the grabbing.

Hope gasped into Jessica's steamy French kiss, shuddering when her classmate's fingers started working over her swollen nips. The kiss grew more intense. The wetness trickling down Hope's leg began to soak through her undies. Or maybe not. Could be her juice had soaked through an hour ago. Or maybe as early as fifth period, when she'd spotted Jess outside Mr. Goldstein's room. She'd been dripping steadily since then, and was late to her last class because she'd been paper-toweling some of the swampiness between her thighs in the girls room. She'd been so terrified. And so horny.

Jess had the sweater up, thumbs in Hope's cups, making her whimper. Her big, juicy tits felt soooo good, so fucking good...

Hope pushed her knee between Jessica's legs, pinning her flat-chested friend against the developing table. Jess let out a groan and let Hope bring

her knee up, grinding it into Jess' crotch. Both girls were panting. A trail of spittle dribbled down Hope's chin. The sensation turned her on. Reminded her of a particularly messy blow job she'd given to a former boyfriend. Chris loved shooting in her mouth, and when he came, he came a lot. Sometimes, she couldn't keep up with it. Seeing jizz trickling down her chin always made him cream more.

She jammed her hands into Jessica's pockets, gripping her cheeks and digging in with her fingernails. She couldn't for the life of her understand why Jess didn't invest in a pair of hip huggers. Or a mini skirt. Jess had one of the best cabooses in school. Hope had heard other girls in the locker room making comparisons. She knew, because she'd been the girl most of her classmates had jealously been making the comparisons to. Jess just didn't show hers off. For the first time, Hope wondered if Jess even knew how delish her ass looked—to guys and girls alike. Hope wasn't the only chick who occasionally ogled another girl, or secretly snuck a peek at when they were changing. She dug her fingers in harder, making Jess aware of just how much her buns were turning Hope on. Sure, Jess didn't have anything going on upstairs. Truth was, she was flatter than Kansas. But Hope had been jonesing to get into Jessica's pants since the beginning of the semester. She just hadn't known how.

**Jess came up for air. Fastened her lips to Hope's ear and nibbled. Hope's tits spilled out as the snap between her boobs flew open.**

Not until the Charity Begins At Home Room event kicked off. Not until she had stood in line, wet-pussied, to fork over her ten bucks, hoping Laura and Nan didn't

notice her denims going dark right between her legs. Oh, they'd pressed her for details, but she'd kept it a secret. Mercifully, at least as far as she knew, her sopping twat stain hadn't given her away.

Jess came up for air. Fastened her lips to Hope's ear and nibbled. Hope's tits spilled out as the snap between her boobs flew open.

"Like them?" she asked. But Jess didn't answer. Instead, she replaced her tongue in Hope's ear with her fingertip, wrapping her lips around one of Hope's heaving knockers.

Hope climaxed, the orgasm sudden and unexpected. Just having Jessica's lips on her super-sensitive caps made girl goo foam into her bloomers. Hope reached up and grabbed a handful of Jessica's hair, pulling her into her cleavage. Jessica nibbled and sucked, working her firm breasts over but good. Hope helped out, cupping them and pressing them together. She squeezed them so that her dark berries were close enough for Jessica to get both into her mouth at the same time. Hope threw her head back, dizzy with lust.

Jess' hands made their way down to Hope's backside, but Hope had had enough. Foreplay was over. She pushed Jess back and undid her jeans, ripping down her zipper. Jessica's pants were tight, but not that tight. They came down her sleek, athletic legs without much effort. Hope dropped to her knees, staring up into

Jessica's wild eyes. She was certain the other teen hadn't expected this. Not in a classroom they hadn't bothered to lock. Not twenty minutes after school let out, with students and teachers still walking the halls. Hope pressed her lips into the soft spot in the center of Jessica's panties and smelled the sweet scent of her gushing snatch behind the white cotton. Cotton that had gotten drenched during the past ten minutes of their playtime.

Jessica watched, unable to move. Unable to do much of anything besides quiver and deal with the ripples going up her thighs. Then Hope had her undies around her ankles, and her fingers tracing the outline of her folds, tongue slowly circling her clit, her middle finger...uh-oh...

### **We bet you have lots of friends!**

"Yeah, of course! I've got loads of really good girl-friends and a couple of guy friends. The guys are more fun to hang out with, though. I love flirting and teasing them! I wear tight workout clothes without knickers so they can check out my cameltoe and my nips. When they get a little too handsy or look like they can't take it anymore I'll give them a handjob or something, but I never have full-on sex with friends. That wouldn't be fair to the guys I'm dating. They put in the leg work by taking me out on nice dates and by buying me really cool stuff."

### **Do you tease your girlfriends, too?**

"Well, all my girlfriends are really hot, so it's more like they tease me! *[Laughs]* Except they're much more generous than I am! I love fooling around with girls because we can make out for a super long time, which makes my pussy dripping wet. Then, when we're both worked up, we can take turns licking each other. That's just what best girlfriends do!"

### **She's got an erotic nature.**

Every once in a while we get a teen whose love of fucking blows us away. They're usually the cutest-looking girls, too. That's the case with Aurora. Every word out of her mouth is dirty. "I like to have sex every day...at least three times," she told us. "I love being fucked from behind. That's my favorite position. When a guy bends me over and goes to town on my pussy, I'm in heaven."

### So, do you always cum from sex?

"Yeah, a lot. I used to always push guys off when I was getting close, it felt just too intense. Then I had a guy who was fucking me doggie-style and he just kept railing the shit out of me. I started to cum and it was so much more powerful than when I'm by myself. Before I knew it I had squirted all over his dick and was building up for another orgasm. It was amazing. I kept panting and moaning that I never wanted him to stop. I gave him a big reward by pulling him out of my pussy and popping his sopping wet dick right into my mouth. I cleaned his dick with my tongue and jerked him off on my face!"

### **So what pleases you the most?**

“Doggie-style fucking, obviously. I’ve cum seven times in a row from that. I also really like anal play, but my asshole is tight, so I can’t fit big dicks in there.

Tongues, fingers and little dicks only! I also love masturbating. I do it every night, even if there’s someone else in bed with me! They never complain about it.”

## SECRET SLIT SLURPIN'

*Continued from page 42*

Jess mewed, her hips arching, thrusting her pink into Hope's face. Hope let out a satisfied, "Mmmmmmmmmmmmm," and proceeded to eat her box, suckling her greasy pink button.

Jess' head swam. How many nights had she fallen asleep, fingers sticky, dreaming about the boy who'd take her cherry? The boy who'd be first to go down on her? The boy who'd spread her thick curtains and plow into her with his tongue? She couldn't even begin to count. Only, that had never happened. A guy had never tongued her pussy. She'd never experienced cunnilingus, except in her dreams. She hadn't done half as much with any boy as she'd done with Hope. Now, her cunny muscles were singing, every nerve ending on alert, her slit well-oiled with fuck-lube.

Lube that was running down Hope's cheeks. Jess found herself wishing she was a photography student, that she had a camera, even her cell camera, so she could snap a pic of Hope, her face buried between her thighs, her tongue snaking through her valley and stroking her clit from below. No. Not a picture. Video. She wanted to have this forever. Available to use any time she needed to get off. She could watch Hope giving her head on loop, and fingerfuck herself for hours, the image was so friggin' hot. Slutty-hot, her friend Chloe would say, the kind of thing you saw in amateur pornos on the internet. The kinds of pornos she and Chloe liked to watch because the girls looked a lot like them. That, and because those girls were willing to do, well, pretty much anything. That's what Jess liked most. The dirtier it got, the better.

She was thinking about that raunchiness when Hope's middle finger dipped into her velvet hole and began to touch her in ways she'd never been able to touch herself.

"Oh...oh-oh-ohhhh," she moaned, completely forgetting where they were. If anybody was in one of the

labs next door, they'd have definitely heard her cumming. What if they got caught? What if some teacher walked in on them and found Hope munching her carpet? They'd both be suspended, for sure. Their parents would be told. Word would get out. The whole school would know.

The thought was...kinda hot in and of itself. Getting caught? The look on Ms. Farrell's face? Or Mr. Dennard's? It'd be priceless. Or, what if Brandon came looking for Hope, and figured this was where she'd be? If he walked in, and saw her on her knees, and not in front of him...

Jess gushed again, filling Hope's mouth with pussy juice. She wanted nothing more than to strip naked and roll around with her. Who cared if somebody was watching? Jess sure didn't. She only cared about cum-

**Jess gushed again, filling Hope's mouth with pussy juice. She wanted nothing more than to strip naked and roll around with her. Who cared if somebody was watching?**

ming as much as they possibly could before they had to get out of here.

That gave her an idea. She pulled Hope to her feet and kicked off her own soggy bloomers, hopping up on the table, legs wrapped around Hope's bare back.

Top or bottom?" she huffed, licking a moist patch on Hope's chin.

"You mean-?"

"It's not math class, but I can count to sixty-nine," Jess teased, pushing Hope's undies down with her toes. Hope wriggled out of them and climbed up onto the table, pushing Jessica down onto her back.

"I'll ride first," she giggled, straddling Jess' face and shifting her hips from side to side. Immediately, the taste of Hope's tangy slot coated her lips, making Jessica hungry for more. She reached into Hope's crotch, spread her pink with two fingers and began to lap away. Hope didn't need any further encouragement. She bore down on Jess' glistening nub and ran

her teeth over it, feeling the response down below. Jessica penetrated Hope with her tongue, noisily slurping her cunt, turning Hope's snatch into a soupy mess of slit-crème.

If it was a race, Jessica wasn't sure who won. She thought she could tell every time Hope came, but besides an insistent grinding against her chin and a little more drippage, it was far from a certainty. She knew it every time she came, though, her ass bouncing up off the table and slamming into Hope's lips, the other girl's tongue inside her, middle and index fingers taking up the slack whenever she stopped to catch her breath. They'd been going at it that way for a while—Jess couldn't see the clock so didn't know how long—when Hope climbed off, supporting herself on all fours, trembling from head to toe.

"Holy shit!" Hope managed, slime trails slick down the insides of both taut thighs. "You sure know how to eat pussy like a champ!"

Jess felt herself blush. She couldn't imagine why, given what they'd just been doing, but Hope's compliment did the trick.

"You ain't too bad yourself," she shot back, trying to sound like she knew what she was talking about when she didn't. Hope smirked. Jess knew she'd been caught.

"Wait here," Hope said, getting off the table and disappearing into the back. She rooted around in a storage bin and came back with...with...Jess didn't know. She couldn't imagine what it was that Hope was carrying, but it sure looked...kinky.

It was black, knobby as hell, and about eight inches long. Hope held it up, smiling. Jess reached out and took it, her fingers just barely able to wrap around it. She didn't even ask, she just stared at Hope, expectantly.

"Dildo. I always have it on me...just in case," Hope explained, getting back onto the table and opening her legs so that her feet were hanging down on either side. The position stretched her about as far as she could go, her pussy wide open and begging for attention. She took the fuckstick and rubbed it up and down, the knobby surface bumping over her clit. Hope bit her bottom lip and let out a sigh.

"Try it," she said, handing it over. Jessica had a tiny, easy-to-hide vibra-

tor tucked away in a shoe box at the back of her closet. All it required was a single, triple-A battery. This... This thing was massive. She held it the way Hope had and began stroking her twat with it.

Its appeal was obvious. Fifteen seconds, and Jess' tunnel was leaky again. Thirty seconds and it felt just like her little pocket-vibe, like her pussy was electrified. Forty-five seconds and...

Hope didn't wait. She scooted her ass across the table, taking the other end of the dildo. She pulled her lips apart, and inserted the smooth end into her gaping cunny. Now this was something Jessica had never seen before, in any of the dirty videos she and Chloe stayed up watching on sleepover weekends.

"Go on," Hope said, her breath coming hard. "It'll fit."

It did. It took a little effort, but Jessica's honeyhole accepted it after just a few sloppy tries. The tabletop was puddled with their juices, and the wetness made insertion a heck of a lot easier than Jessica imagined.

Her pussy felt full. Packed to the hilt, can't-take-any-more full. But that didn't stop Hope. She pulled Jessica closer, lifting the teen's legs over her own, the black rubber dong disappearing deeper into each of them.

"Oh shit! Don't stop! I'm gonna...gonna...gonna c-c-cum!"

Hope gave one of her nips a little pinch. Jess threw her head back, crying out, cum squirting out around the dildo. Hope kept inching forward, the toy getting smaller and smaller looking. Finally, her clit bumped into Jessica's, the dildo having disappeared entirely.

"Fuck me," Hope begged. "Go on and fuck me!"

Jess rolled on top of her, able to control the dildo with her tight snatch. Fuck her she did, clenching her cunt muscles around the fat pole and driving it into Hope just like it was a dick.

"Almost," Hope gasped, hands pressed into Jessica's flat chest. "Almost...there!"

Hope exploded. She shrieked, and Jess felt Hope's pussy lock down, forcing the toy back some, deeper than it had been so far. She hit her climax point at the same time. In a frenzy, the pair drove the shared sex toy in

## How do you normally make yourself cum, Kristina?

"Just like this. I listen to music up in my bedroom. It helps soothe me and gets me in the mood. I also like putting my pussy underneath the faucet in the bath. It's hard with only one tub. I've been caught before."

**HEIGHT:** 5'3" **WEIGHT:** 100 lbs.  
**BRA SIZE:** 32A **BORN:** Feb. 18  
**LIVES:** Los Angeles, California

# Sniff **Kristina's** panties!

Write us a letter telling us why you want to win Kristina's panties. Send letters to 18eighteen, 1629 NW 84th ave, Miami, FL, 33126. Email [letters@18eighteen.com](mailto:letters@18eighteen.com). Deadline is May 15, 2014.

### **Whoa! That sounds really embarrassing. Tell us more about that!**

*"[Laughs]* Yeah. It worked out okay, though. My older sister's boyfriend caught me right before I was about to cum. I was so embarrassed! He said he heard me squealing and thought something was wrong, but I think he was just trying to sneak a peek. I actually told him he could stay after I saw him lingering by the door. He seemed really awkward. I love the hell out of my sister and would never do anything to hurt her, but at that moment I was so horny I probably would have let him fuck me in the tub."

## Welcome back, Trinity!

"Thanks, it's good to be back! Hey, did I tell you that I just got fucked in the ass? I've tried before, it just hurt too badly to go all the way through with it. I had to jerk the poor guy off. Now my butt has been pumped full of cum, and I love it more than I ever thought I would! The feeling of his load spraying the inside of my ass felt so amazing I actually came just from feeling him cum. So, that's all I'll be doing when I get a steady boyfriend! The guy I tried anal with was just a friend helping me out."

**HEIGHT:** 5' **WEIGHT:** 94 lbs.  
**BRA SIZE:** 34A **BORN:** Dec. 2  
**LIVES:** Hollywood, California

### **Wow! So anal's your favorite sex act?**

"No, it's just that ass-fucking is new and exciting. It's like finding a shiny toy under the Christmas tree. You forget about the old ones. Well, that's not true. I couldn't live without giving blow jobs or getting my pussy licked. So I guess it's just the *newest* favorite sex act to be added to my fuck arsenal! [Laughs] Girls should always be learning."

### **What's the most important sex lesson you've ever learned?**

"Probably to remember to breathe while sucking dick! I've almost passed out giving blow jobs, which isn't fun. I love giving head, though. It's really an art form that I think I've mastered. I even taught most of my girlfriends how to suck dick. Guys, a little advice? Tell us when you're about to cum! I love to swallow a hot load of jizz, but I need to know when it's shooting in my mouth, otherwise it'll spill out all over my lips and I can't catch it all! You guys don't want us girls to waste your precious load, do you?"

## SECRET SLIT SLURPIN'

*Continued from page 61*

and out of each other, grinding out two, three, four more orgasms before they had to back off.

It was five after five when Hope cracked the door and glanced out into the hall. Empty. She and Jessica strolled out, put together as best they could be, Hope with a camera hung around her neck in case they got caught. Jess headed for the North exit, but Hope grabbed her hand and led her down the adjoining hallway. Jess didn't know why, but she followed.

They stepped out into the sunset at the West exit, crisp air greeting them. Jess felt her nips go hard. They ached from the workout they'd gotten the past two hours, but in a good way. A very good way. She was about to tell Hope this when another voice cut in.

"Hey, thought you'd stood me up!"

Jessica recognized that voice. Her hard nips started to tingle.

"Heya, Brandon," Hope said, giving him a peck on the cheek. "You know Jessie, right?"

Brandon turned to face her, smiled and nodded.

"Of course. She bails me out whenever I'm about to fail social studies," he said, but there was something more to it. The way he was looking at her. It was the way he'd been looking at Hope in the hallway.

"You don't mind if she comes along with us tonight, do you?" Hope asked. "She's been...helping me out with some stuff for class."

Brandon laughed.

"Damn. Wish I'd have been there!" he said. Hope Pfffted.

"Last time we were in the lab together you got the both of us suspended, remember?"

He nodded again, resigned. Jessica's mouth dropped open.

"Banned from the lab for life," he admitted. "Worth it, though," he added, winking at Hope. "So, you guys ready, then?"

"Ready for what?" Jessica asked. Hope and Brandon looked at each other and shrugged.

"For...I don't know. Whatever," Hope said, giggling.

Whatever?

That sounded good to Jess.

**Lia, you look adorable in that yellow dress.**

"Thanks! I like to dress all flowery like this so guys think I'm innocent or adorable or whatever. I can totally act like a goody-two-shoes and make them think I'm pushing my boundaries by kissing them, then once we're in the bedroom I can show them who I really am! The look on a guy's face as his princess takes his entire cock down her throat in one long suck is priceless!"

**HEIGHT:** 5'3" **WEIGHT:** 115 lbs.  
**BRA SIZE:** 32B **BORN:** Oct. 24  
**LIVES:** Tampa, Florida

## You keep showing off your asshole!

"Last time I checked that was still okay, right? I'm starting to get more and more into anal sex so it just seems appropriate. Besides, I know what all your readers want to see. Sometimes, if I really like a guy, I'll put on a sexy show for him. You know the kind—plaid schoolgirl skirt, white button-down blouse, white stockings. Anyway, I'll start dancing and bouncing around in the tiny skirt, having my butt peek out. Then, when he's practically drooling, I'll bend over and show him all my goodies! That gets a good rise out of them...and their cocks."

### Do you think of yourself as a slutty girl?

"No way! Not in a million years. I'm actually pretty innocent until I get in the bedroom, you know? I might die of embarrassment if anybody I knew in high-school saw me here. I just really enjoy getting to know a guy and then exploring our pleasures together. That's not slutty, that's just having a good time! Obviously, every once in a while I like to act out and do something dangerous or provocative, but that's just part of being young. I'd eventually like to have a three-way, but only if I had someone there that I really trusted. Maybe when I find a serious boyfriend I'll invite one of my girlfriends over and we'll share his dick! I have a fantasy about licking a girl's ass while she's grinding on a guy's cock. So hot."

### **Hey, who is your friend, Leah?**

"He's my mega-hot neighbor! Well, actually, he's my parents' neighbor. He was working on his car in the driveway yesterday and was covered in grease. I walked by and started chatting with him. Watching him under the hood turning a big wrench made my pussy so wet."

### Let us guess: You invited him over to take a look under your hood?

"[Giggles] How did you know? It was super obvious that my car was running fine, but then I invited him in for a glass of water. It's a good thing my parents decided to go out to an afternoon movie today! I told him we were all alone and he could do whatever he wanted with me. He actually picked me up and plopped me on the counter to grind while kissing. My pussy was dripping!"

**HEIGHT:** 5'4" **WEIGHT:** 113 lbs.  
**BRA SIZE:** 34A **BORN:** June 17  
**LIVES:** Kissimmee, Florida

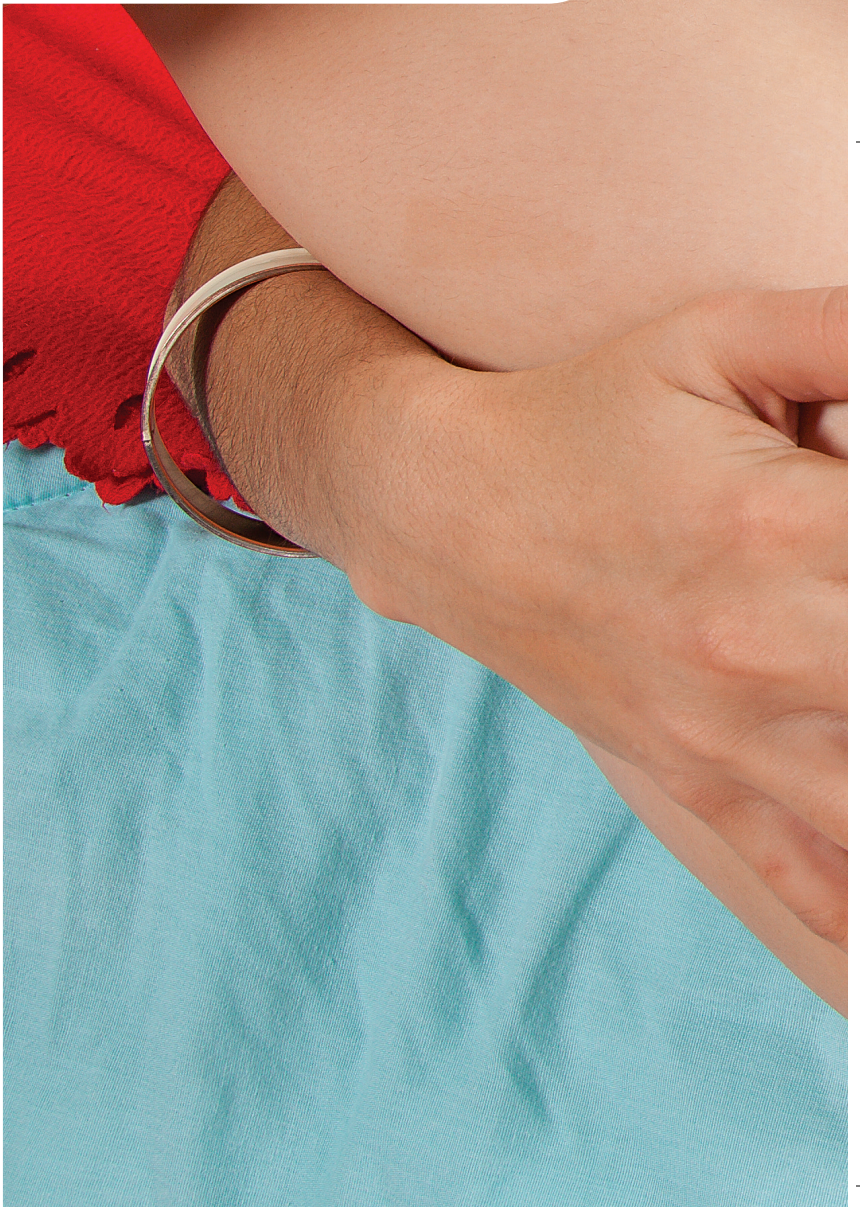

### Won't your parents be really mad when they find out?

"They would be if they ever did, but they won't! I told him that he can fuck me whenever he wants, but he has to be discreet about it. Also, I told him that if we're ever rushing because my parents are due home soon he has to cum inside of me, never on my face or tits. That way I can just pull my panties back on and it's like it never happened. Well, except for the huge load in my slit!"
